OCTOBER 2017

FROM THE PRESIDENT – Dwain Stadie

Hello Members,

The new snowmobile season is here. The nights are again starting to get cool, fall is in the air as they say. Club, State and Region meetings have started, along with club events, snow shows and swap meets. All of these fun events are listed in this newsletter so you can put these dates on the calendar, and not miss out on anything.

The biggest news I think is the State of Illinois DNR STEF (Snowmobile Trail Establishment Fund) grant funding. Chris sent out an email with the IASC letter attachment. I hope all of you are upset with our state government's money transfer plans as I am, I hope that all of you printed and sent in those letters, sent Emails and made phone calls. The IASC is working on additional angles. But this is exactly what we need you to do and to do it quickly. The veto session is scheduled for October 24th, so we need all our members to make those calls, send those emails and letters quickly, as the window closes every day to increase support. We need to get this done! The future of snowmobiling in this state depends on the STEF grant program.

I'll ask Chris to send that email out again in case you missed it. I have always said the squeaky wheel gets the oil, let's make some noise down state.

The other big news is our club's new meeting location, Time Out Sports Bar and Grille located at Rt #20 and Harmony Road. I'm sure everyone knows that Corkshire pub closed and has been sold, and is being remodeled with a reopening date after the first of the year. So a new location was needed. Come to the next meeting and check the place out.

The club again has a fund raiser, we are selling tickets for ten dollars each, with a max of 700 tickets sold. The three prizes are first prize \$2,000.00, second \$200.00 and third \$100.00 contact Scott or Becky Haseman at 847-683-1938 for tickets. Again with the closing and sale of Corkshire a new location was needed. The Red Ox on Rt #72 across from Chic-N-Dip is where the meat raffle and fund raiser drawing will be held on November 18th.

The club's SEP class will be held on November 11th at The Hampshire Township Building. Contact Genice Brettschneider at 847-987-3986 or Linda Gustafson at 847-683-2671 for more information.

Check out this newsletter filled with club information, or as always for the latest information check out the clubs web or Facebook page.

See Ya at The Next Snowmobile Event

2017 Suds and Fun Car Show

The Early Times Street Rods Car club of Hampshire has been putting on the Suds and Fun Car Show the second Sunday in August since 1980. It's held every year at Ralph Seyller Memorial Park on the east side of beautiful Hampshire between Jefferson and South Ave. I wasn't an honor roll student, but if my math is right that's 37 years this show has going on. I've been told by many car show regulars that what makes this show so special is the park is filled with large oak trees, which provide shade all day long. The show regulars say most shows are held in a blacktop parking lot somewhere where you get baked in the sun all day long. It's true - it's a beautiful majestic setting for a car show.

I don't know when it started but for as long as I can remember our snowmobile club has been helping with the car show. We help the car club on Saturday put up snow fence all the way around the park. On Sunday we run one of the entrance gates and take down the fence after the shows done. For all this help the car club is nice enough to let us have a food tent at the show, along with a stand where we sell the club's fund raiser tickets.

Everything was a great success this year, there were 708 cars at the show, and over 3000 spectators came thru the gates. That's over 700 cars for every show the last several years. Along with our food tent, the car club had a food tent, Dairy Queen was selling ice cream, and there was a beer tent set up. Those people sure were hungry and thirsty, because everyone sold out of everything. We even sold a record amount of fund raiser tickets, more than we had sold at any previous car show.

This is a big fund raiser for the club, and it couldn't be done without a lot of club members volunteering their time to work at this event. Putting up fence, taking down fence, running an entrance gate, buying food, cooking food, serving food, selling tickets, cleaning up and putting everything back in the storage unit. A big job for sure, but a very successful day for the club.

A special thanks to Don Banke, Ed Brettschneider, Genice Brettschneider, Pete Dall, Pete Fields, Jodi Fields, Steve "Bullitt" Gustafson, Linda Gustafson, Ed Hagendorn, Mack Hagendorn, Scott Haseman, Becky Haseman, Randi Haseman, Cameron Haseman, Austin Haseman, Rich Jelinek, Jenny Jeschke, Chris Moore, Buzz Marwig, Laurie Marwig, Topanga McCoy, Fred Pease, Debbie Pease, Lisa Pease, Laura Stadie, Dwain Stadie, and Dave Wright. Sorry if I forgot someone.

Remember to mark the date on your calendar Sunday August 12, 2018 head over to Hampshire and check out one of coolest local car shows you'll ever see, and support the local snowmobile club by stopping at our little tent and getting something to eat. I'll see ya at the next club event.

Hampshire White Riders Snowmobile Club in the HCCCD Parade

The tradition continues. The 35th Hampshire Coon Creek Country Days was held this past August 3rd thru 6th at a new location on village property just on the north edge of town. The festival keeps getting bigger and bigger, and has moved four times to larger locations over the years. New home same great event, and just so much fun.

So much to do over the four day event. There's a carnival, food vendors, craft vendors, raffles, petting zoo, pony rides, beer tent, bands on the stage every day and night, Saturday night fireworks put on by the The Mad Bomber. You gotta admit that's a great name for a fireworks company, and the fireworks show was bigger, better and louder than ever before. I couldn't believe how many people were there for the fireworks. Sunday had a 2K and 10K race put on by the Park District, pancake breakfast put on by The Lions Club, A parade, and over 4000 ears of sweet corn were made using an old fashion steam engine, and served for free.

Sunday as we have done for years The Hampshire White Riders had a float in the parade, but Sunday morning started out with the 2K and 10K races, and the Lions Club pancake breakfast first thing. I was forced to pick between the two as they were both going on at the same time. Being the kind of guy I am, it was a difficult choice, but I went and supported The Lions Club, before getting ready for the parade.

By being in the parade and giving away tons of candy I think we did some pretty good PR work for snowmobiling. I had to write a less than one paragraph explanation of our float/group to be read by the Announcer as we went past the review stand in front of village hall. You should have seen the look on that guys face as he read the last line "remember only 144 days till winter" his look was priceless.

Thanks to everyone who worked on the float, and took part in the parade. Brad Black, Chris Black, Ed Brettschneider, Genice Brettschneider, Sarah Bowen, Miya Castillo, Pete Fields, Andy Garcia, Ed Hagendorn, Mack Hagendorn, Haley Hagendorn, Scott Haseman, Becky Haseman, Randi Haseman, Cameron Haseman, Austin Haseman, Jesse Heine, Morgan Haelfing, Jenny Jeschke, Braeden Kittel, Steve Leffler, Maddie Micelli, Serena Nicoderme, Anna Rivera, Alaina Stadie, Dwain Stadie, Matt Stadie, Nicole Stadie and Dave Wright. With a special thanks to Don Banke for his 4-place

trailer, Dan Eiklor for the use of his shop, Don Banke, Pete Fields, Ed Hagendorn, and Mack Hagendorn for their snowmobiles, and Dan Brettschneider for his truck to pull the float, and for driving in the parade.

It was great to see so many people show up to make this all possible, Being a small town everybody is involved in more than one thing for Coon Creek Days, all these club volunteers was awesome to see. Make it a point to mark your calendar for the first Sunday in August next year to see us in the parade. You can get more information about Coon Creek Country Days at www.hcccd.com and check out more pictures at that site and our club's site www.hampshirewhiteriders.com

Dues remain a flat \$30.00 a year for either individual or family membership with no discount available any longer for paying the dues before the December meeting. To receive any membership discount, you need to get out and sell the raffle tickets for the club meat raffle. This is still one of the best values around for a snowmobile club membership. If you have friends who would like to join a club, please direct them to the Hampshire White Riders website and get them to a meeting.
