Dear Members of the Hampshire White Riders:

Thank you so much for your generous donation of \$100 to our Summer Reading Program!

As you know, our summer reading program helps slow and stop the academic backslide that occurs during students' long summer breaks from school. More importantly, it makes reading fun and encourages entire families to participate in reading for pleasure and in exciting literacy-based programming. This year's theme ***Reading Takes You Everywhere*** promotes literacy and learning with an emphasis on travel and imagination.

With the generous support of groups like yours, our program is able to be successful in reaching more people and in keeping the joy of reading and literacy alive our community.

For more information on the programming and events we have planned for the year's Summer Reading Program, we invite you to visit our website at www.ellajohnsonlibrary.org.

Thank you again, and we look forward to your continued support.

Sincerely,

Dawn Zauner
